MESSAGE FROM THE HEADMASTER

The year 2000 was an important one for Selwyn House. For the second time in the past decade, the School was accredited by the Canadian Educational Standards Institute. Our engagement in this comprehensive process every seven years demonstrates the School's commitment to continuous institutional improvement. It also underlines our emphasis on striving for excellence in all aspects of school life.

I'd like to emphasize three major but distinct areas in which the School had already been planning to allocate significant financial, human and organizational resources even before the CESI process was complete.

The first area of investment is in addressing our facility needs. We are in the midst of a capital campaign to finance the construction of a new building that will add more than 32,000 square feet to our campus. Our goals are to enlarge classrooms and reorganize the space; to build a modern, state-of-the-art library/learning centre; to improve the dining facilities; and to build endowment. Construction of the new building in the west playground is due to begin in June of 2001. Its completion is scheduled for spring 2002. The renovation of the Lucas Building will be complete by September 2002.

The second area relates to our plan for technology, which calls for an investment of one million dollars over three years. This has allowed us to set up a mobile computer lab consisting of 22 laptop PCs on a cart to complement our two existing computer labs. In addition, teachers have been issued laptops to help them integrate technology into their courses. We expect in year two to add another mobile lab of laptops, to equip any remaining faculty members and to replace one of our existing labs which, by that time, will be three years old. Year three calls for another mobile laptop lab and replacement of the other existing lab.

The third area relates to the Parent Volunteer Association. Under the superb guidance of Mrs. Nori Churchill-Smith, a member of the Board of Directors, the Association was created to organize and formalize many volunteer initiatives that had been very effective but ad hoc in past years. Seven committees from Class Parents to Community Service, Fund Raising, Parent Services, Parent Support, Social and Public Relations and Staff Support have worked hard and made great contributions to improving life at the school.

As in previous years, the accomplishments of our students are the best testament to Selwyn House's success. The School's outstanding performance in mathematics competitions, art, debating, public speaking, PSAT and SAT exams, senior jazz band competition and athletics, all help to maintain Selwyn House School's standing among the top independent schools in Canada. Thus the School lives up to the CESI accreditation not only as an institution that continuously strives for improvement, but also as an institution that achieves that goal.

Mr. William Mitchell

THE ADVANCEMENT OFFICE

Since its inception in 1987, Selwyn House's Advancement Office has focused on the support and advancement of three of the School's core objectives: to ensure communication with all of the School's constituents; to strengthen alumni relations; and to launch and manage its fund-raising campaigns.

COMMUNICATION

The Advancement Office works to keep the Selwyn House community abreast of the School's activities by issuing a variety of publications, each speaking to a particular audience.

The Annual Report is a means by which the School can thank those who so generously contributed to Selwyn House over the past year.

Veritas, Selwyn's bi-annual magazine, features new developments, stories, issues and events that are of interest to all constituents, in particular Old Boys and past parents. It also allows the Selwyn House community to catch up on alumni news.

The Parents' Newsletter, issued four times a year, keeps our most immediate community—current parents and students—well informed of the latest school news, as well as student activities and events at all levels of school life throughout the year.

Advancement Office publications are designed in-house, and feature articles from a variety of sources: students, faculty, alumni and parents.

Richard Wills, editor of SHS publications, welcomes any comments, questions, information and/or suggestions you may have. He can be reached at wills@selwyn.ca.

ALUMNI RELATIONS

Alumni relations are a key component of the Advancement Office. Along with the Old Boys' Association, which was founded in 1954, the Office works to build and maintain ties between the School and Old Boys. Over the years, the Association has grown to establish branches in Montreal, Toronto,

Boston, and London, England.

The Old Boys' Association hosts the annual Montreal reunion in September. When possible, reunions are organized in other cities to encourage Old Boys who have relocated outside Montreal to keep in touch, both with the School and with each other. Class Representatives help in the pursuit of strong relations by contacting Old Boys for reunions, sports events and through phonathons.

FOUNDER'S DAY

Founder's Day, which is a celebration for the entire Selwyn House community, commemorates the founding of the School, honours the Speirs Medal recipient, and recognizes donations and achievements of the past year.

After 92 years, the School has grown in many ways, including its student population, which began as seven students, and numbers 564 students today.

FUND RAISING

Selwyn House is renowned for the excellence of its programmes and the quality of the education it provides to students. In order to carry on this tradition, it is essential that the School continuously look for ways to increase its endowment, as well as raise the funds necessary to support and further develop its top-notch programmes. This is why the Advancement Office actively engages in fund-raising initiatives for the School.

Capital Giving

Project specific, this element of fund raising usually involves large contributions that enable the School to expand facilities to meet the growing needs of students.

Planned Giving

There are numerous ways to enhance the School's endowment funds and benefit the donor as well. For example, tax advantages are available if one includes Selwyn House School as a beneficiary of a life

insurance policy or if one gives appreciated stocks in the School's name.

Annual Giving

Created to fund the immediate needs of the School, the Annual Giving Campaign looks to the School's constituents to support the highest standard of education. The Annual Giving Fund also provides financial aid to deserving students.

Tribute Giving

Honouring a special person or marking an occasion, whether it be a birth, a birthday, a bar mitzvah or an anniversary, is a great way to celebrate, and, at the same time, contribute to the School's advancement.

Memorial Giving

Gifts in memory of Selwyn House constituents who have passed away ensure that their memory will live on. The School is honoured to receive donations in their name.

VOLUNTEERS

It is only through the dedication and generosity of volunteers that activities and organizations, such as The Argyle Shop, the Library and the annual Fall Event, are so successful year after year. They help support almost every area of school life. Furthermore, not only do volunteer-run events benefit the School, they also help and support the community.

We salute all volunteers, and thank them for their dedication.

DONORS

The School's constituents continue to play a part in shaping Selwyn House School by generously donating time and money, affording its administrators, faculty and staff the opportunity to continue to provide programmes of the highest calibre, and an experience that is second to none.

Thank you for your continued support.

SELWYN HOUSE ASSOCIATION

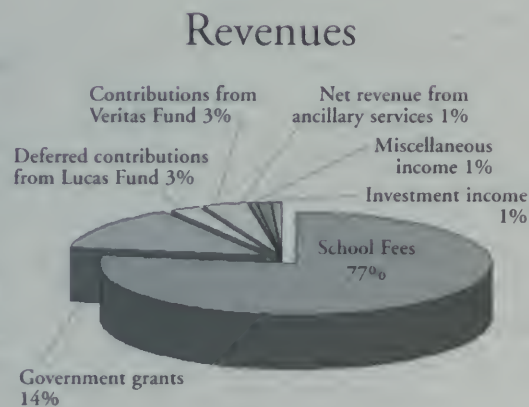

FINANCIAL REPORT

JUNE 2000

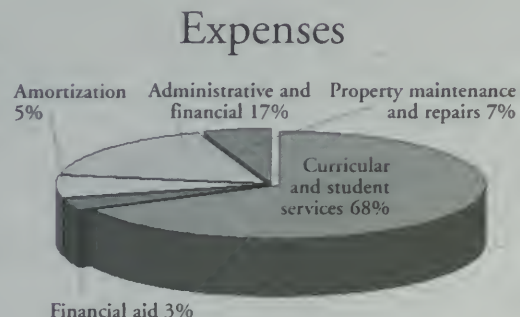

Assets	2000	1999

BOARD OF DIRECTORS 2000-2001

The Selwyn House Association Board of Directors consists of up to 16 individuals. Fifteen members are elected at the Annual General Meeting of the Selwyn House Association; at least eight of these individuals must be Old Boys. The President of the Old Boys' Association is a member by virtue of his office.

The members rotate and serve three-year renewable terms. Vacancies are filled by the Nominating Committee, a Board sub-committee.

The mandate of the Board is to determine policy and strategic direction, and to provide the means by which the School can successfully accomplish its goals.

Board Members support and strengthen the School. They provide counsel, keep the Headmaster informed on matters of interest, act as ambassadors of the School and assist in capital campaigns.

Board members sit on committees, of which there are 12. These committees address a variety of issues, including academics, athletics, finance, marketing and scholarships to name a few. Additional committee members may include the Headmaster, faculty members, former Board members and other members of the School community.

THE LUCAS FUND

The Lucas Fund's primary goal is to permit the School to engage in property improvements and the purchase of equipment of a capital nature, which are not covered by government grants and tuition fees.

Under the law, the School may charge in tuition fees only 50% of what it receives from the government by way of grants. To continue providing the standard of instruction and programmes at Selwyn House, the School, therefore, established the Lucas Fund.

Mr. Philip L. Webster	1961	1989

THE VERITAS FUND

The Veritas Fund, originally called the Endowment Fund, was established, in part, to ensure the School's continued viability in the event that government grants were withdrawn. As well, the Veritas Fund was established to provide scholarships and financial aid so that worthy students could consider an education at Selwyn House.

Currently, the priorities of the Veritas Fund are to increase scholarship and financial-aid funds, to enhance and maintain the School's technology, and to establish and maintain funds for on-going professional development.

Should donors wish to designate some other specific use for their donation, they may do so.

The Veritas Fund, through the Annual Giving Campaign, helps the School maintain the quality of its programmes. Through the Capital Campaign, the Veritas Fund helps the School maintain and enhance its facilities and increase endowment.

The School looks to its community to help bridge the gap between the real cost of quality instruction and reasonable tuition fees in order to maintain the highest quality of education.

VOLUNTEERS

1999-2000

Volunteers contribute to the success of the many events which take place in the School throughout the year. Parents, Old Boys, current students, and friends of the School all get involved, and we thank them all for their support. Every effort has been made to include everyone who has assisted in any way. If any errors or omissions have occurred, please accept our apologies.

THE CONRAD H. HARRINGTON SCHOLARSHIP FUND

1998-2000

The Conrad H. Harrington Scholarship Fund is named in honour of Conrad Hastings Harrington, who died on March 9, 1998. Mr. Harrington left a wish that donations given in his memory go to support Selwyn House, as well as research into Amyotrophic Lateral Sclerosis, also known as Lou Gehrig's Disease. Selwyn House, therefore, has established a scholarship fund in Mr. Harrington's honour.

The three-year scholarship is awarded to a Grade 9 student who enters the School and is of "academic ability and outstanding citizenship who would not be able to attend the School without financial aid."

Father of Conrad 2000 and George 2004, Mr. Harrington wanted to make the Selwyn House experience enjoyed by his sons available to more students.

Furthermore, it was in his capacity as a member of the Board of Directors that he supported the creation of an endowment fund for scholarships.

The Conrad H. Harrington Scholarship is Selwyn House's first endowed scholarship. The School awarded the first scholarship in September 2000. The creation of this fund is the best way to honour the memory of a man whose friendship and forward thinking are greatly missed.

Selwyn House would like to thank all the generous contributors, to date, to the Conrad H. Harrington Scholarship Fund, which carries on the name, as well as the dream, of Mr. Harrington. Gifts in memory of the late Edgar C. Moodey and the late Dr. Byron W. Harker are directed to this scholarship fund.

CAPITAL CAMPAIGN 1999-2000

For Selwyn House to meet the challenge of the future, we will need more than a dedicated community and a top-notch academic programme. We must ensure that our facilities are up-to-date and that their design and appropriateness contribute to the most effective current teaching practices. We are moving as quickly as possible to start construction so that the School's level of excellence—and its ability to attract top students—is not compromised. In short, the best school must continue to make room for the best students.

The centerpiece of our plan to accomplish this is a new building that will be constructed on the current west playground and attached to the Lucas Building. The new building will reduce pressures on the existing school and free up additional space for classrooms. The new building will include: a learning center with a large, modern library and integrated computer center; a new

underground gymnasium; an agora with common space for small receptions; individual and small-group study areas; meeting rooms; new furnishings; and storage space.

With the new building, classrooms in the Lucas Building will be expanded considerably, from the current average of 45 square metres to 55 square metres. The current Lucas Gymnasium will be converted into a multi-purpose space that will house an upgraded auditorium and larger dining room. The Lucas Building will receive a general facelift.

A tunnel between the Macaulay Building and the new building will ensure a safe crossing for all students between buildings. In addition to the safety issue, it will allow students to move between buildings for meals and other scheduled activities in warmth and comfort year-round.

Note: Donations are from the fund-raising period of July 1, 1999 to June 30, 2000.

VERITAS FUND 1999-2000

DONORS TO ANNUAL GIVING, CAPITAL CAMPAIGN, AND THE CONRAD H. HARRINGTON SCHOLARSHIP FUND

Please Note: The people listed below made donations during the fund-raising period of July 1, 1999 to June 30, 2000.

Alumni

An active alumnus is one whose current address is recorded in our records. Many alumni have moved and have not informed the School of their new address. Consequently, they are considered inactive until such time as their whereabouts can be re-established.

Selwyn would like to take special note of those who have given consistently for the last decade. They are recognized with a ✓ beside their names.

The regularity with which they give as opposed to the size of their gift reflects the spirit of giving.

Recent graduates (1991-2000) who have given consistently, yet have not been out of the School a full ten years, are also recognized by a ✓.

Many alumni continue to support the School long after graduation and deserve special recognition. Those classes with an asterisk (*) beside them have the distinction of being the leader of their decade for their collective contribution.

We believe that continued and regular contact strengthens the relationship between the School and its community, and we appreciate the sincerity with which you have embraced our message. Thank you.

CURRENT PARENTS

Current parents and their children directly benefit from Annual Giving, and constitute the largest single group of contributors. To all those who gave last year, we extend our thanks. Current parents are listed according to each current child's grade (1999-2000 school year).

Congratulations to the Class of 2007. Thirty-seven per cent of their parents contributed to the Veritas Fund. Thank you.

PHONATHON

Thank you to Ben Ball, father of Morgan '99, for providing the offices of MacDougall, MacDougall, & MacTier, and Anthony Zitzmann '89, for providing the offices of KPLV Financial Planning for the 1999-2000 Old Boys' Phonathons.

GRADE 11 GIFT

Each year, the Grade 11 class gives a gift to the School upon graduation. We thank them for the legacy they leave for the students.

Equipment for the Future Playground

In addition to a gift to the School, the graduating class also contributes to a charity of its choice.

The Amyotrophic Lateral Sclerosis Society of Quebec
 Lamplighters Children's Leukemia Cancer Association

DONATIONS

Special thanks to all who contributed library book donations, Fall Event items and prizes, and to the Class of 2000 graduation party.

CLASS OF 2000

WHERE THEY ARE THIS YEAR
